

**2021 SEAAPM Virtual Symposium & Scientific Meeting****January 28 – 30, 2021****[Register Here](#)**

The SEAAPM invites you to participate in the 2021 SEAAPM Virtual Symposium and Scientific Meeting. The symposium title is "Practical Artificial Intelligence for the Medical Physicist" and the theme for the Scientific Meeting is "From Smart Tools to Smart Practice: Science, Collaboration, Efficiency, and Quality". As the largest geographic chapter in AAPM, the SEAAPM includes the states of North Carolina, South Carolina, Georgia, Mississippi, Alabama, and Tennessee. Our 2 ½ days of meetings (Symposium and Scientific Meeting) attract 50 to 100 medical physicists each year, including the arrival of new attendees for the Scientific Meeting on Friday afternoon. Please visit our website for more details including meeting agendas. <https://seaapm.org/meetings.html>

**After receiving feedback from potential sponsors, we have added a third tier to our sponsorship levels. The Bronze Level sponsorship package will allow one meeting attendee in addition to the items listed in the table below. An exhibitor booth is not included in this level.**

Break or Social Event Sponsorship			✓
Sponsor Name and/or Logo Displayed on Program Schedule at Sponsored Session			✓
10 Minute Presentation During Meeting			✓

**Two Meetings in One**

The SEAAPM annual meeting is unique in that it gives sponsors the value of two meetings for the price of one. The 2021 Virtual Symposium will take place over 1.5 days beginning on the morning of Thursday January 28, 2021 and ending around 12-noon EST on Friday January 29, 2021. The 2021 Scientific Meeting will begin at 1 pm EST on Friday January 29 and end around 12-noon EST on Saturday January 30. Each year, we welcome an influx of new attendees for the Scientific Meeting, and therefore, a new set of potential customer contacts visiting the exhibits on Friday afternoon and Saturday morning.

**Virtual Exhibits**

The SEAAPM has chosen Cvent as our virtual meeting platform. Cvent has managed conference registration for our SEAAPM meetings for several years, and after reviewing multiple virtualization options, we are confident they will provide a high quality, comprehensive experience for our attendees and sponsor-exhibitors. A short video about the Cvent Virtual Attendee Hub can be viewed [here](#). Information about exhibiting at a Cvent virtual event can be found [here](#) and an [Exhibitor Booth FAQ](#) has also been created. Additionally, support will be provided in the setup of your virtual booth.

**Thank You to our Sponsors**

The executive committee members of SEAAPM recognize that 2020 has been a challenging year for everyone. We are sincerely grateful for your support and participation at our past meetings, *continued support this year*, and at our future in-person meetings. The SEAAPM depends on sponsorships to support our annual meetings. In lieu of current events, we have significantly reduced the price of sponsorships for our 2021 virtual meeting.
